Koolbreeze

KSW6000 and KSW11000

Heavy Duty Fans

230V/240V and 110V

The **KSW6000** and **KSW11000** fans combine a tough ABS plastic body with integrated floor stand to give them the impact resistance demanded for industrial and commercial applications while having a stylish appearance which also makes them suited to applications which place a greater emphasis on aesthetics such as events and retail spaces. These adaptable models come in two separate sizes available in both available in 110V or 240V versions. The powerful 4 pole motors and three separate fan speeds combined with quiet operation allow both models to be tailored to almost any ventilation requirement.
